WHAT'S  
WITH THAT?  
I'M NO

Right now,  
I'm married  
even though  
he's still in  
high school.

I'm  
a wife.

Talga and I  
are childhood  
"friends".

So,  
Talga isn't  
home yet...?

I'M  
BACK.

We've  
known each  
other since  
we were  
small...

Our parents were  
best friends and  
we saw each other  
when they would  
get together

But

I always  
loved Taiga.

I'm  
already  
in this

That's

So, really,  
I haven't

After that,  
Taiga's parents  
took me in

and  
accepted  
me just like  
a real

I realized my feelings

It came out
